# SLIIT CODEFEST 2024 'AI-SPRINT' Hackathon powered by Sysco LABS

To ensure your submission is complete, please review the following requirements:

1. **Mandatory Video Submission**:

   - Your submission must include a video (up to 5 minutes) that showcases your solution, which may also include a demo.

   - Use the naming convention: <Team Name>_Video Submission.

2. **Pitch Deck Submission**:

   - When submitting a pitch deck, please use the naming convention: <Team Name>_Pitch Deck Submission.

3. **Optional MVP Submission**:

   - You may submit a Minimum Viable Product (MVP) as part of your artefacts.

   - Use the naming convention: <Team Name>_MVP Submission.

Please ensure all artefacts are uploaded with correct naming conventions.
